In response 17 applications have been received and the UPSC has been requested to make selection at an early date.

Illegal blood trade

3070. PROF. A. LAKSHMISAGAR: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are aware of the flourishing illegal trade of sale of blood by private blood banks in the country because of non-existence of blood banks in private hospitals and nursing homes; and

(b) what measures have been taken by Government to check illegal practice of sale of blood by private blood banks in the country and to provide blood bank facility in recognised private hospitals and nursing homes?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) and (b) No incidence of illegal trade of sale of blood by private blood banks in country has been reported. Most of the large private hospitals have their own blood bank and those hospitals/nursing homes which do not have their own Blood Bank can obtain blood from licensed Blood Banks in their vicinity.

Professional Donation of blood has been banned in the country since 1st January, 1998. For generating enough blood through voluntary blood donation programme, the Government of India have taken a number of steps such as media campaign through, TV, AIR
